Equality Innovation

张孝明

Gansu client
Borrowed RMB 14,000 for livestock breeding

CD Finance is a microfinance service provider deeply rooted in the countryside. It aims to tailor micro-credit, insurance, investment and e-commerce services for low and middle-income groups in rural areas that cannot fully enjoy the services of traditional financial institutions. They are thereby assisted to boost production, increase income, and achieve well-being as soon as possible.
